MagicOS

1. With a rounded corner design on the display, the diagonal length of the screen is 12.1 inches when measured according to the standard rectangle (the actual viewable area is slightly smaller).
The screen supports a maximum refresh rate of 120Hz. The refresh rate may vary depending on the application interface and game screen.
2. Supported APPs are still being adapted. User experience may vary slightly depending on individual APPs. Please refer to the actual experience.
3. Through microSD card (not included), HONOR Pad 9 can be expanded to 1TB storage (maximum). Actual available storage space is less than this value due to system usage.
*Product images are provided for reference only, please refer to the actual products.
