A close-up photograph of several fresh Roho fish (Lates niloticus) laid out on a light-colored surface. The fish have silvery scales with a blueish tint, prominent red eyes, and reddish-brown fins. They are arranged in a slightly overlapping manner, showing their elongated bodies and pointed snouts.

A high-quality photograph of two fresh sea bass fish resting on a rustic wooden cutting board. The fish are positioned diagonally, with their heads pointing towards the top right. They have silvery scales and prominent eyes. A sprig of fresh green thyme is placed between the two fish. In the bottom right corner, there are two slices of lemon and another sprig of thyme. A black leather strap with a brass buckle is visible at the top left. The background is a dark, textured surface.
